Subject: Columbia River oil train explosion

Recently I became aware of the Phillips 66 oil trains interest in San Luis Obispo. In light of Friday's disaster in Mosier, Washington, I am compelled to voice my concern for having the potentiality of a similar accident occur in the town we live and love.

<https://gorgefriends.org/news-events/news/2016-06-03/press-release--as-mosier-oil-train-derailment-unfolds-u.html>

Please do what is in your power to stop this proposal.

Sincerely,
Sean Phillip
